PLAIN QUESTIONS
TO NORWAY
PEOPLE

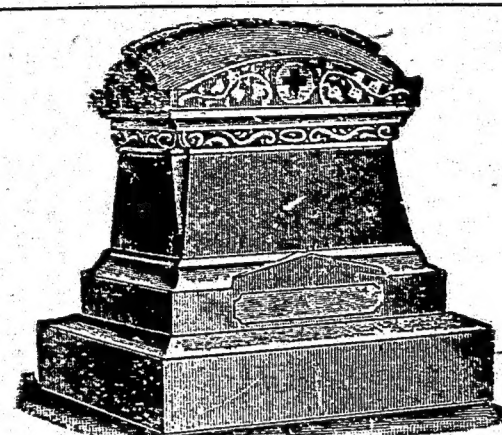

Every Norway Reader Will Admit the Soundness of the Logic

—Would Norway people recommend Doan's Kidney Pills as they do if the medicine were not reliable? Would they confirm their statements after years have elapsed if their experiences did not show the remedy to be deserving of it? Statements like the following must carry conviction to the mind of every reader:

C. E. Bradford, prop. of the laundry, Main St., Norway, says: "For some time I had a dull pain through the small of my back, together with a tired feeling. I couldn't rest well. When a friend advised me to take Doan's Kidney Pills I got a supply at F. P. Stone's Drug Store. After I used two boxes, the pains and other symptoms disappeared and there was a great improvement in every way. I have had no kidney trouble since."

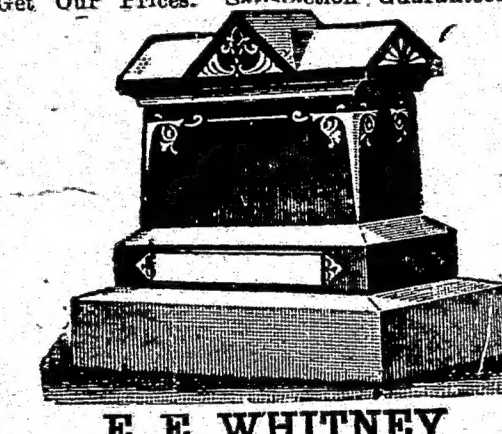

On June 6, 1916 Mr. Bradford added: "I still have confidence in Doan's Kidney Pills as it hasn't been necessary for me to use a kidney medicine since I took them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bradford had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

There is more Catarrh in this section of
the country than all other diseases put to-
gether. It is supposed to be incurable.
Doctors prescribed local remedies,
and by constantly trying to cure the local
treatment, pronounced it incurable. Catarrh
is a local disease, greatly influenced by con-
stitutional conditions and therefore requires
constitutional treatment. Hall's Catarrh Medi-
cine, manufactured by F. J. Cheney & Co.,
Columbus, Ohio, is a constitutional remedy.
It taken internally and acts thru the blood on

NEW SCHOOL UNIONS FORMED

In accordance with the late statutes a professional supervision of schools through the union of towns will be in force after July 1918. The experiment has been tried during the past few years by linking together adjoining towns in one system under a single head. It has been successful in every way, giving advantages to the rural students and conserving money for the tax payer, impossible under the single town method.

Under the new law changes have been made in the existing unions largely by additions. The grouping has been done after careful investigation of the geographical situations, the number of schools and their accessibility, the means of conveyances with the relative mileage and road conditions, the relations of towns as trading centers or business outlets, the railroads, telephone and stage connections with other pertinent considerations.

Although the law does not demand a change until mid-summer, it is recommended in many instances for unions to be organized as per schedule at once, thus gaining time and be ready for the opening of the school year. This will serve unifying delays and confusion.

The following are the new school unions in the county of Oxford as announced Tuesday at the State department of education:

Bethel, Gilead, Greenwood, Mason, Norway, Oxford, Waterford.

Baldwin, Denmark, Hiram, Sebago, Grafton, Lincoln Plantation, Magalloway Plantation, Newry, Upton.

Andover, Byron, Crockett, Roxbury, Hanover, Milford Plantation, Rumford, Paris, Woodstock.

Buckfield, Hartford, Hebron, Sumner, Canton, East Livermore, Livermore, Jay, Wilton, Farmington, New Vengard, Temple.

RESOLUTIONS OF RESPECT.

To J. M. Bartlett:

Whereas our heavenly Father has seen fit to remove from our midst our beloved sister, Honor G. Bartlett, we the members of the Church, Sunday School, Christian Endeavor and Ladies Aid take this way of expressing to you, "her husband," our deepest sympathy in this your great loss. We assure you that we too, feel the loss acutely and we shall continue to feel her loss in even greater measure, in our Church, Sunday School and all these things which tend to the upbuilding of our community and we can only direct you to look to Him, who is the only one to whom we can look for comfort in times of great sorrow.

BUSY, HARD-WORKED MEN AND WOMEN

Will find that the Sarsaparilla, Pepsin, Nux and Iron treatment comprised in Hood's Sarsaparilla and Pepsin will give brain and nerve force, relieve the nervous strain incident to "too much to do in too little time," characteristic of life today.

These blood and nerve medicines seem to lift the nervous and over-worked into new life, enabling them to accomplish easily the things that have fretted them and have seemed to bring them to a standstill.

Hood's Sarsaparilla and Pepsin are very effectively supplemented by Hood's Pills, in cases where a laxative is needed. These three preparations are all sold by your druggist. Get them today.

Prokus and Truman Again

W. Frank Stairs has matched Truman, the Maine champion vs. Jim Prokus, the terrible Greek of Lowell, Mass., and the mill will be pulled off in Norway Opera House, Thursday evening, Jan. 10. The pair will fight this to a whirlwind finish as Truman won the last show on a decision after each scored a fall. The Greek believes he can easily get his opponent this time.

Omur King of Island Pond will go on with Trippe of Lewiston in the semi final, while Farmer Doughty of North Norway and McGilley of South Paris appear in the preliminary. This is a challenge match offered by the young farmer at the last show.

Where Farming Pays

H. S. Wood of Norway bought the Ned Orday farm last April and moved onto it the first of May. Since then he has raised and sold \$800 worth of hogs. He recently dressed two 8 months old pigs that dressed 321 and 324 pounds. He also has 5 yoke of oxen, 4 cows, 4 year old heifers, 5 horses. He has sold two yoke of oxen for \$650. Mr. Wood has 4 horses and 6 oxen in the woods logging. He has sold \$400 worth of apples and he thinks that isn't doing too bad for the first year.

Mrs. Susan B. Merrill

Mrs. Susan B. Merrill, widow of Wm. Albert Merrill of Norway, died at the home of Mrs. Hattie Small on Lynn street Tuesday morning at 1 o'clock. She went to live at Mrs. Small's last fall. About three weeks before her death, she had an illness and has since gradually failed.

Mrs. Merrill was born in Norway July 24, 1852, the daughter of Jonathan and Lydia Rust-Smith Bennett. She was a graduate of Norway Liberal Institute, was a fine scholar and for a number of years before her marriage a very successful teacher.

Mr. and Mrs. Merrill resided a while at North Norway, then moved to Mechanic Falls where Mr. Merrill had employment and Mrs. Merrill was bookkeeper at the Bucknam Clothing House. After Mr. Merrill's death, Mrs. Merrill returned to Norway and has since made her home here.

She was a member of the Methodist church. She leaves several children in Norway, a niece, Mrs. Henry Knapp of Providence, R. I., and nephew, Edwin Smith of Lynn, Mass.

Injured by Runaway

B. Perley Proctor was knocked down by a runaway horse Tuesday afternoon, a broken leg above the ankle and minor injuries were sustained. He was taken to the Central Maine General Hospital Wednesday morning for treatment.

Mr. Proctor is employed by the Norway & Paris Street Ry. and was working about the track on Paris street when the horse attached to the sleigh came dashing across the main street corner, striking him with tremendous force. The occupants of the sleigh were Doris Culbert and Viola Walton of South Paris and a friend, Mary Woodworth of Portland, who had been spending New Year's day at their homes. All were thrown out as they crossed the street and the sleigh overturned. This frightened the horse. The team was stopped near the fair grounds.

Economy of Fuel Compels Reduction of Car Service

Commencing next week, the N & P Street Railway will reduce their car service to hourly trips so arranged to connect with trains at South Paris depot. Monday and Saturday evenings the cars will run and the rest of the evening of the week they will run only to connect with the trains from Portland and to accommodate special gatherings in the two villages.

By this economy the Company is hoping to get through on their present supply of fuel and an early spring.

Lillian N. Jenkins assisted Ernest P. Crockett, secretary of the Oxford County Poultry Association during the show at Norway this week.

The cold was intense Wednesday morning. Glasses registered 27 below zero in Market Square and 30 below at the iron bridge near the grain mill. At Albert Ames' house on the height of land back of Western Avenue, only 14 below was recorded. Thursday morning was a further cold one with the mercury a trifle lower than the Wednesday record.

Mrs. Claude Cushman and daughter, Gertrude, went to Berlin, N. H., Wednesday to visit relatives until Sunday. Earl Thibodeau, who has been spending his vacation at his home here, returned to Norton, Mass., Tuesday.

Ruth Cummings has returned to Boston, Mass., after spending her Christmas recess at her home here.

Mildred Curtis has gone to Houlton to resume teaching. Miss Curtis is instructor in Domestic science.

Veranda Club met Dec. 27th with Mrs. Addie Buswell on Elm street with a good attendance. Clipping for the Red Cross was taken up by the members. The business meeting the hostess served lunch. Next meeting of the club will be with Clara Eldridge, Danforth street, Thursday evening, Jan. 10th.

Mrs. Fred Banks of Auburn is visiting for a time with her husband, who has rooms at Chas. Wentzel's, Danforth street.

Mrs. Esther White has returned to her home at Lynn, Mass., after several months' visit with her parents, Mr. and Mrs. Chas. Wentzel.

Talbot Mundy spent a couple days in town the first of the week and returned to New York in season to keep an appointment on Friday. Mrs. Mundy is busy at work on mural decoration which she is hoping to complete so as to return in about a month. The staging of the Khyber Rifles for the movies is going on smoothly and the picture story will probably be produced by next fall.

Mrs. Susan Merrill has been confined to her bed for several weeks, the result of a fall at the home of Mrs. Hattie Small. Mrs. Merrill has another aged lady almost helpless, Mrs. Harriet Tremblay.

The Ladies' Aid of the Methodist Society met with Mrs. Lucella E. Merriam Thursday afternoon.

Ethel Bradbury, a teacher in Calais, has been spending her vacation with her sister, Mrs. Will Moore. At one time Miss Bradbury worked at the B. F. Spinney & Co. shoe factory.

Mrs. Frank E. DeCoster has been ill, the result of vaccination. Mrs. Isabel Noyes has been assisting with the household.

Mrs. Ernest Ham of Auburn has been at F. E. DeCoster's for a few days.

At the meeting of Oxford Castle, K. G. E., the rank of Pilgrim will be worked on 20 candidates.

Sergt. Henry White Laid Out Trench Life

Owing to the storm and cold rough weather, only a fair sized audience listened to "Life in the Trenches" as given by Sergt. Henry White of Lewiston in Norway Opera House, Friday evening.

Sergt. White lived in Norway several years ago and at the outbreak of the Spanish American war in 1898, enlisted at Brunswick in Co. K, 2nd Maine Inf. After being discharged from the service he joined the U. S. Marines, where he served five years, then went to Canada and enlisted. Taking an officers' training course in the Royal School of Infantry at Toronto and Halifax, he received a lieutenant's commission and assigned to Princess Louise's Fusiliers. His regiment was part of the Canadian Expeditionary Force, Highland Brigade, Nova Scotia Highlanders, who crossed to England with the second contingent soon after the outbreak. They went into the front line trenches in France and remained four months. During the Tyne engagement he was severely wounded and created in the St. Joseph, St. Mary's and Red Cross hospital, later was transferred to the Buckingham hospital in England.

After recovery Sergt. White was again ordered to the front but resigned as an officer and re-enlisted as a private in the 193rd regiment, then changed to the 430th Battalion.

The second and nearly fatal wound was received at Vimy Ridge last June. A bullet pierced his side and he was discharged after recovery as unfit for military service, having served two years and eight months in Europe. One of his treasures of which he is justly proud is an army medal given for bravery in the battle of the Somme. This was a personal decoration from King George.

He talked for an hour and a half on the Red Cross and Y. M. C. A. work, giving an interesting word picture of the gigantic scale by which these organizations aid both the sick and the well. Their work in the hospital, in the field and trench and through the many campaigns having several times won the hearts of his financial support.

Sergt. White has spoken at Boston Common, in Lewiston before the Knights of Malta, the Advertising Men's Association and the Red Cross. He has also appeared at Rumford, Brunswick, Bath and Bangor. His Monday evening here was installed commander of Hamlin-Hagerty Camp, Sons of Veterans in Lewiston.

Bethel Pike returned to Brooklyn, N. Y., Tuesday, to resume his studies at the Pratt Institute after spending the holidays with her parents, Mr. and Mrs. Dennis L. Pike.

Frank Richardson received word Sunday night that his mother had passed away, death coming very suddenly. She was staying this winter with a niece at Sanford. Mr. and Mrs. Richardson left for that place Monday forenoon.

William G. Leavitt handed us the following thermometer readings noted at his residence on Orchard street. He states the temperature on an average is from six to eight degrees higher than on Main street. For January 2, 1915, +20; 1916, +16; 1917, +30; 1918, -14. For January 3, 1915, +10; 1916, +20; 1917, +18; 1918, -10. These figures show the present cold wave is unusual at least in the past five years. William asks a perfectly natural question, "Is the war responsible?"

Thomas Johnson of East Oxford moved his family into a rent house at Oxford Park, this week. Frank Brackett hauled the goods.

Howard Shaw furnished music Monday evening at the New Year's ball held at the Centennial hall, West Paris.

Baby Jim Passed Out "Baby Jim" Simmonds—a bouncing colored man, who attracted considerable attention at the Maine fairs this fall, died in Philadelphia, Pa., Friday, Dec. 28. The advertising banners proclaimed his age to be 37 and weight 800 pounds. In matter of years the assertions were rational, but in avoidpoids there might have been exceptions, at least the managers had not gone shy on the actual fact.

It is reported a freight car was chartered for transporting the body to his home in Texas. This may be the whole truth and nothing but the truth, yet "Baby Jim" must have increased wonderfully in stature since Oxford County fair time. They had little trouble loading his anatomy into a passenger-car at South Paris. How natural it is for press agents to feature their protegee even to the end.

Blankets and Robes

Present market conditions indicate that an advance in price is not unlikely for all grades of stable and street blankets and robes. Jobbers stocks are reported to be unusually low and on many leading styles they are entirely sold out. This means a scarcity when retailers present stocks are exhausted, as it will be hard to get the desirable styles.

We have an unusually full stock of stable blankets in burlaps and ducks and in all the different styles of fasteners and surcings. Prices on these goods are very low, considering their scarcity and the difficulty of getting them. Duck storm blankets in medium and large sizes.

A fine assortment of street blankets, of the best colors, in stripes, plaids and Indian weaves, ranging in price from \$1.50 up to \$6, \$7 and \$8 each. Many of these are in beautiful colors and well worth your examination.

BETHEL

Middle Interval
30 degrees below zero Dec. 31 but old Sol is kind about noon.

As we read the death of Mrs. Elizabeth (Atherton), widow of St. John Hastings, we are reminded of pleasant days boarding with her many years ago when we first began to be a school teacher. She was a beautiful wife, mother, and friend and neighbor and we have marked the tender love and devotion she has received from her children through all these years. Surely these words are true.

Also as we read of the death of Jacob A. Thurston our mind goes back to our earliest teaching on the shores of Lake Umbagog where they then lived, almost a wilderness, but kind hearted people and faithful children helped to make a good school. David Thurston, the father, was the agent and as the custom was then, hired the teacher and we remember his uprightness and loyalty to his family and the mother—such a wonderful woman. Now the father and mother, oldest sons and two oldest daughters have entered the Higher Life.

I had been treated by a physician without results, so decided to give Lydia E. Pinkham's Vegetable Compound a trial, and felt better right away. I am keeping house since last April and doing all my housework, where before I was unable to do any work. Lydia E. Arthur Lowell, a well known farmer of South Buckfield dropped dead Monday morning while in the store at East Hebron. Death was due to heart failure. KEZAR FALLS.
Last Sunday was the coldest yet, the thermometer at six in the morning registering from 40 to 48 below zero. Monday at the same hour the temperature had changed for the better by ten degrees, but the intense cold had got in its work and many a household was confronted with trouble not of their seeking. If there had not been a plumber in the place they would have been unfortunate indeed. As it was the "man from Lynn" who located with his family in the early part of the winter and whose business is plumbing, proved himself the "man of the hour" and a very present help in time of trouble and the friend in need who is the friend indeed as he went from house to house restoring frozen water pipes, etc., to their normal condition.

WHAT MEN KNOW But Don't Tell Their Wives

Every man knows that a woman can make a dollar go twice as far as he can—but will he admit it? He also knows that he ought to see to it that the wife has the ready money to buy the groceries, then her natural gift of driving a bargain will exert itself and she will buy the groceries where she can buy the best for the least—at this store, of course.

WEST PARIS

G. W. Berry

Another sudden death, G. W. Berry of heart failure. He was feeling better than usual. A little before the noon hour Tuesday, he went to the stable to care for his horse and cow. A few minutes after his son Leon went there and found him lying on the barn floor. He went to the hotel, whose stable they used, and asked for help and the doctor to be called. Upon further examination, they found him to be dead. It was a great shock to the family and everybody.

Mr. Berry was about sixty-five years of age and was the oldest son of the late George and Mary Berry. He leaves a widow and three children: Retta, wife of Ernest Jackson; Leon, who was in the hardware business with him, and Rupert, who is in the navy. He also leaves four sisters and one brother, Mrs. Cynthia Abbott of North Paris, Mrs. Lizzie Carley of Farmington, Ella and Clara Berry of West Paris and Edwin R. Berry of Stark.

Will Berry has always made his home in this vicinity and married Emma Churchill, daughter of the late Mr. and Mrs. King Churchill. Their home for several years was the farm situated a half mile below Trap Corner on the Snows Falls road now owned by Elias McKeen. A few years ago they moved to Trap Corner and lived with Mrs. Berry's mother until about two years ago he sold to Elmer Hammond and bought out the hardware store of R. E. Shaw and moved here and are now known as W. E. Berry & Son hardware dealers.

Mr. Berry was a successful farmer and business man, "square" in all dealings with his fellow men, kind and pleasant to all and a good citizen. He will be greatly missed from the community. He was a member of the Patrons of Husbandry. The funeral was held from his late home Thursday at 1 p. m.

Union Service

Last Sunday evening a Union Temperance meeting under the auspices of the W. C. T. U. was held in the Methodist church. There were a good lot-out, but not so many as there would have been if the weather had not been so cold. The program was excellent, which is as follows:

Hymn, Sons of God.
Congregation led by chorus choir.
Prayer, The Hand Writing on the Wall and Prayer, Rev. L. W. Grundy.
Duet, Alone, Alice Barden and Clara Bacon.
Accompanied by M. Mahan, Featherbed.
Address, Habits, Rev. L. W. Grundy.
Duet, Song of the Flag, Leonard, accompanied by M. Peabody.
Exercise, Our Boys in U. S. Service.

The platform was decorated on either side with a 3x5 U. S. flag and Red Cross flag while hanging above from the alcove was a Christmas flag of the same size, below a little back was a blank service flag draped through the center to a pole which was extended across for the purpose. The two young men marched down the aisle and stood on the platform at either side and saluted and in turn addressed the audience what they stood for, then down the aisle came a young lady, Nettie Swan, dressed in Miss Columbia costume and took her place beside the service flag, laid down the draping and as Mrs. Agnes Brock read off the roll call of the 18 boys, who had gone into U. S. service from here, the two young men, who held the blue stars would see each name was called, passed the star to Miss Columbia, who pinned it in its proper place upon the blank center of the service flag. Mr. Perham, responding to those who had enlisted in the army and Mr. Bacon to the navy calls. Dr. Wheeler's name was the last name called and one more was mentioned, Frank West who died, then while all remained as they were, Mrs. Grundy read the poem, "When you had and my lad went to France." Star Spangled Banner was sung to close. The program was all beautifully done and much credit is due to the committee of arrangements, whose chairman was Mrs. Agnes Brock.

The Baptist Church will not hold any more public services for a while, but have accepted an invitation from the Methodist church to hold their services there. The Sunday School will also be united with theirs for the present or until further notice.
